Skills / Qualities

- Scientific rigour
- Computer programming (Python, C, web, SQL)
- English (Cambridge B2 certificate, 2024)
- Organisational skills
- Curiosity
- Critical thinking

Education

2026 – 2029

ENSEEIHT, Department 3EA / Toulouse

Department of Electronics, Electrical Energy and Automatic Control

2024 – 2026

Prépa t² / Toulouse INP, Labège

Two-year multidisciplinary preparatory programme, integrated into the Toulouse INP group of engineering schools. Its curriculum is similar to that of a PCSI/PC-type CPGE (French preparatory classes for the Grandes Écoles).

2021 – 2024

Science high school, Mathematics, Physics / Muret

French Baccalauréat with Mathematics and Physics-Chemistry specialisms (highest honours, mention très bien), Advanced Mathematics option and European section (English)

Experience

JUNE 2026

AI Integration in IT Internship / Valtech, Paris

Strategic analysis: AI innovation in the development of Retail & e-Commerce information systems

SUMMER 2025 AND SUMMER 2026

General Worker / Production Operator / SEIMA / Storipro

Summer jobs that gave me my first experience of the business world.

Interests / Additional Information

In my free time, I enjoy playing the piano. I also enjoy sport, whether with friends or on my own (running, swimming).
